

Stop Managing Shifts. Start Running Your Business.

Concierge lives inside your Croux dashboard. Post shifts, rate talent, approve timesheets, and check your schedule — just by asking.

WHAT IT DOES

Post Shifts in Seconds

Say what you need in plain English. Concierge drafts it. You approve.

Batch-Rate Talent

Rate a full week of talent in under 60 seconds. Good, Okay, Bad — done.

Approve Timesheets

See clock times, approve with one click. No more chasing hours.

30-Day Status View

Filled, unfilled, coverage gaps — one downloadable table.

THE DIFFERENCE

WITHOUT CONCIERGE	WITH CONCIERGE
15+ min posting each shift	30 seconds, done
Forgetting to rate talent for days	Full week rated in 60 seconds
Multiple screens for timesheets	One-click approvals in chat
Manually tracking open shifts	Instant 30-day report
